Make \$ 6.25 on each item sold

For any organization, school, church, daycare, etc!

For each item sold @ \$13.00 your organization makes \$6.25 profit. That's a 48/52 split. We provide sample "sniffy packs" for each person selling. Each pack will have an actual sample of the fragrances you are selling so your buyers know what they are getting.

You collect all money at the time of sale; once the sale ends you make a check to Linda's Candles & More, deducting your money first. We deliver or ship your products within three to four weeks from the day the sale ends, and all orders are given to us.
